

**Lecture
Workshop
Simulation
Panel Discussion**

You asked and we responded!! This year, Cincinnati Children's EMS-C Education has taken your feedback to create an all new conference while offering you the familiarity of what you have experienced in the past! This year will expand the lecture format to include panel discussions and the option of workshops for hands on learning,

LOCATION:

EMS-C Education
620 Oak Street
Cincinnati, Ohio 45206

CONTINUING EDUCATION

Continuing education credit will be given provided payment is received, and conference attendance and evaluation are complete.

EMS CEs: Continuing Education program by Children's Hospital Medical Center is approved by the Ohio Board of EMS (Ohio Accreditation No. 1238). Upon conference and evaluation completion participants will receive 6.75 CEs in Pediatrics, Trauma and/or Geriatrics.

CME: Cincinnati Children's Hospital Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Cincinnati Children's designates this educational activity for 6.5 *AMA PRA Category 1 Credit(s)™*. Physicians should only claim credit commensurate with the extent of their participation in the activity

NURSING: Cincinnati Children's Hospital Medical Center (OH-046/ 9-1-12) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Flexibility to Accommodate your interest & learning style

Choose to go to workshops for hands on learning instead of or in addition to the lectures provided. Workshops will cover the same material as the lectures and not affect the CE credit you receive.

WORKSHOPS

The workshops are an option in the morning or afternoon to create a learning experience to meet your interest and learning style!

WORKSHOP TOPICS

Airway
Resuscitation Meds
Immobilization / C-Collars
Access

LECTURE SERIES

Lectures include requested topics and topics that have had high reviews in the past.

LECTURE SERIES AM

Geriatrics
Neonatology

LECTURE SERIES PM

Burns
Pediatric Strokes

PANEL DISCUSSION

Medical and Trauma Scenarios discussed by a multidisciplinary panel of experts including physician, nursing and EMS providers. Discussion to include from field to hospital delivery of care.

WORKSHOPS

Your choice of workshops continue the concepts learned during the trauma simulation case review.

LECTURES

Did you like the old format? You can choose lectures too! Dynamic speakers from Children's hospital and the regions will further provide an educational experience over a range of topics.
